GRAB 'N GO BREAKFAST CART

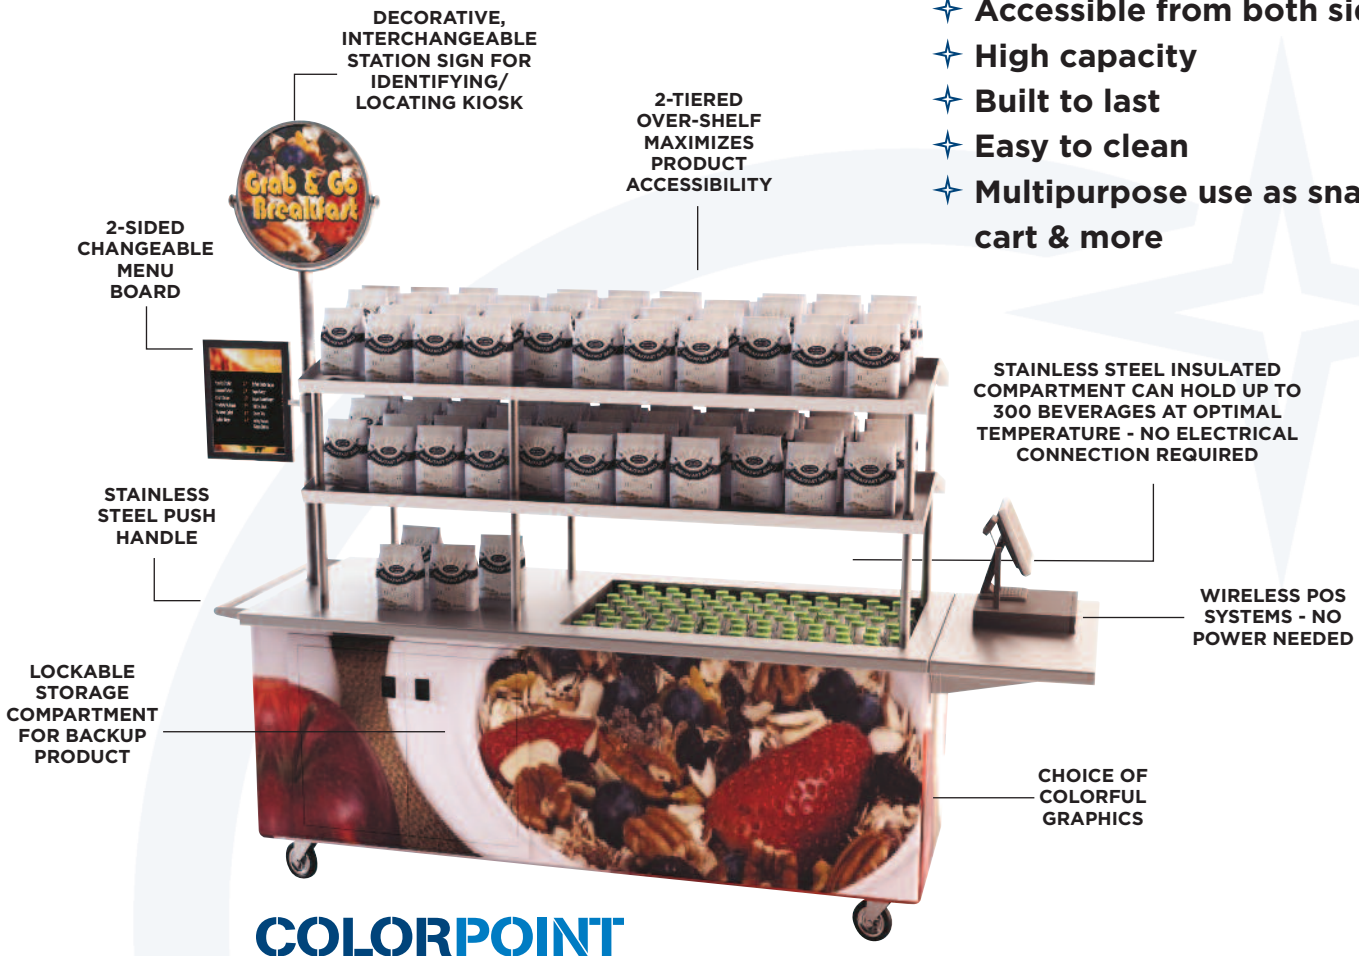

Serve up to 300 breakfasts with LTI's Colorpoint™ **Grab 'N Go Breakfast Cart**, the first cart designed specifically for remote breakfast service and *the only one built to last*. Simply stock it with breakfast items, such as bagged breakfasts, bulk fruits, cereals and other breakfast products, then easily wheel it where needed. The cart's stainless steel, insulated milk compartment maintains proper serving temperature - *with no electrical connections required*. Colorful, appetizing designs tailored for elementary, middle or high school audiences are available. Now that's Grab 'N Go that works!
